TBR015CA | Targus 15.6” Revolution Compact Roller

Enhance your on-the-go productivity and laptop protection with the Targus 15.6” Revolution Compact Roller. Patented SafePORT® Air Cushion System delivers industry-leading protection against drop damage, while abundant intelligently-designed features boost efficiency and ease of use. Keep devices secure and handy with the plush-lined tablet pocket (fits up to 10” devices), transparent mobile phone compartment for convent viewing of call/message activity and spacious storage area for power adapters and other accessories. Efficient organization is at hand with easy-to-locate key fob and individual pockets for USB flash drive, SD card, business cards and pens. A removable accessory pouch and side bottle pocket deliver further convenience while interior side gussets keep valuables from falling out. Transport it all with ease thanks to the stable telescoping trolley, quiet, smooth-rolling in-line skate wheels, well-padded top handle, bottom grab handle and convenient luggage strap. Compatible with up to 15.6" laptops thanks to the Targus Fit-Flip system.
